Where are you called to help?

Please take time to read through the articles in the next column! Most of these tasks only take a little bit of time to accomplish. We learn, grow, and are nourished at worship. How can you nourish others this year?

Please pray about how you are called to teach, to grow, and to serve others by ● ● ●

August Hymn of the Month

The author and composer of this new hymn (ELW 726 “Light Dawns on a Weary World”) are important voices in contemporary American hymnody. *Shalom* is a Hebrew word, embracing a wholeness of spiritual, incarnational, and communal life, for which “peace” seems an inadequate translation.

Antioch Career Transition Network (ACT Network)

Our next meeting: Wednesday, August 11, 10:00 a.m. (Note date change.) If you are looking for work or wish to refer someone, please contact Tom Haeusler via e-mail tchaeusler@sbcglobal.net or cell phone 248-345-1684.

Favorite Hymns in August

We continue to have an informal, spontaneous hymn sing during gathering time on most Wednesday evenings and Sundays as we wind up our summer schedule. We would love to sing your preferred hymns. What is YOUR choice? Thank you.

International Exchange-Youth for Understanding

is an international exchange program for high school students now looking for host families for the 2010-2011 school year. Please consider the possibilities!

For more information, speak with Rebecca Parker, currently Tomo’s host mother, or see the student profiles posted in the west hall.

Sunday, August 8 – Neil Sawyer sings, “Eat This Bread”

● ● ● helping in the following areas:

Youth Leaders – High School Sunday School Teachers Needed

Please call the Church Office if you are willing to plan activities for our youth. Let Susanna Muzzin know if you are available to teach Sunday school.

Gardening Help

Please give an hour or so of time to keep our yard looking nice. Please feel free to come over and pull or dig out weeds from our flowerbeds, shrubs, and stone cover. We have had some help already. Keep up the good work! Thanks from the Landscaping Committee.

Altar Guild (or Sacristan) Help Needed

Easily the most important volunteer task at Antioch is caring for the Altar and Sacraments each week. We need additional people for some months of the year. Men can be included, so we encourage couples to volunteer if you’re so moved. Please pray about this. We could use an extra person for each month: April, July, August, September, and October 2010. Call Barbara Scott at the Church Office for more details or to volunteer. Thank you!

Regular Shopping Helps Antioch – Kroger & Hiller Kroger Enrollment – Re-enrollment

If you have a Kroger card, you can enroll in their program to give Antioch a percentage of your purchase price each visit. Everyone who was enrolled earlier must re-enroll to give us credit. Go online at Kroger.com. Antioch’s number is 82737. The new time period began April 1, 2010, so old enrollments don’t work now.

Hiller Cards

Stop in at the office or see Barbara Scott and get a Hiller’s card. Then take it to Hiller’s, put money on before shopping, and you give the church 5% of your purchase price.

Serving Area – Fellowship Team - Can You Help?

Our Serving Area needs members for the Fellowship Team. Contact Barbara Unruh at 248-762-8480 or barbfcu@hotmail.com to offer your time and talents or for more information about these opportunities. Thank you.

Ushers Needed

We are in need of several new ushers. The commitment is just one Sunday per month. Training is simple and will be provided. There are openings at both services. Anyone of high school age or older can serve. If you are able to serve as an usher, please contact Dave Copp at dcopp1@sbcglobal.net or 248-324-1949.

Pop Bottles – Help Return Them!

Needed: Volunteer(s) to take bottles to the store and get the refund for the church. Please drop off your pop bottles rinsed out. This makes it more pleasant for the volunteers returning them to the store! The bins are located by the pop machine and in the back hallway by the stairs. Thanks for your help. If someone doesn’t help out soon, we will remove the bins.
